SUNDAY CONTEST A SHUTOUT

Scott Worked Well and Had Good Support, While Timely Swats Were Made Off Mr. More.

GAMES TOMORROW. Decatur at Rock Island. Peoria at Cedar Rapids. Bloomington at Dubuque. Springfield at Clinton.

Yesterday's game was easy pickings for the champs and they shut the Senators out, 3 to 0. They played in their old time form and gave Joe Scott excellent support at all times, especially when a bungle would have been embarrassing. Joseph was also there with the goods. He allowed only six hits and they were all scattered out so that the visitors were never very dangerous. The visitors failed to get a man to third during the entire game. The game was not very fast as it took two hours to play and there were no sensational plays, but it was a good game to look at just the same, and many were heard to remark on the way home that the champs were still in the game if they ere at the foot of the ladder.

Rock Island broke into the score olumn in the second inning. Cook anded on one that netted him two sacks. It was a beautiful hit just inside the third base line and it rolled to the fence while Louie made the dust fly on his way to second base. which he barely reached. More, who Mullin, 1b 0 0 10 0 was doing the slinging for the visiters and Louie's hit raitled him and Collins, rf 0 0 1 0 when McBride laid down a pretty bunt to send Cook along on his journey, he threw to third in a vain attempt to get the man there and the result was that everyone was safe with no one gone. Berger tried the squeeze play but it was a failure and

he was thrown out without a score resulting. With Wise up More couldn't see the plate and he started throwing wild. His fourth ball got through Johnson some way and Cook, ever ready to take advantage of a misplay, was on his way home before More knew what was going on. He finally covered the pan but it was too late, for Louie slid in under him and was safe. Prospects were very rosy E. F. DORN, for more runs then, but More settled offer bitting Fire with a pitched ball

after hitting Eng with a pitched ball striking out Scott and causing Murph to knock an easy one to the infield. Error Starts Another.

The second score of the Islander came in in the next round. Stark slammed out a long fly and Stewart fizzled on it after getting under i nicely. Claude was mean enough to go to second while the left fielder was biting his lips to keep from say ing something out loud. Lundin came up and poked one into right field. The ball landed just inside the first base line and rolled up against the fence hat lies in front of the bleachers. I was only good for one base for Lundy but Stark raced for home and regis tered easily. Cook attempted to lay down a bunt to move Lundin up one but his bunt was a fly that More caught and threw to first before the man there could get back and a doude play resulted. McBride's out at first retired the side and for the next three innings the champs failed to go

around the bags. Scott Gets a Hit.

In the seventh another was adde o the list just to clinch matters With two gone and Eng on first Scot aurprised his best friends by landin on one for a single which pushed Gu along to third. Murphy came up wit his usual timely hit and Gus score and the run getting for the game wa over. The score:
